Fog Eliminator Plus Lens Cloths and
Uvex Clear Plus Lens Cleaner

Protecting Our Eyes and Protecting Our Investment

A few seconds without safety eyewear, removed to wipe off fog or dirt, can lead to serious injury. That's why investment in comfortable, stylish, proper fitting eyewear is so important. Protect your eyes and your investment with new and improved lens maintenance products from Honeywell Uvex.

New Uvex Fog Eliminator Plus: it's clearly safe!

Uvex® Fog Eliminator Plus now delivers eight hours of anti-fog protection based on an extreme environment effectiveness (EEE) test at 122°F and 80% humidity for one hour. When applied, it's one of the longest lasting AF performance products in the market.. Fog Eliminator Plus Cloth and Gel on AF coating represents a minimum ~60X extension of the fog free time vs. AF coating alone!*

Just a 10-second wipe bans fog caused by heat, cold, humidity, exertion or sudden temperature changes. The result is reliable, all-day protection from fog of any kind.

* In laboratory tests# under extreme conditions (≥40C (104F) and ≥80%RH)

Available in Uvex Fog Eliminator Plus Cloths and new Uvex Fog Eliminator Plus Gel for convenient, drip-free application
