MOLDEX

TOUCHFREE ECOSTATION®

A Hygienic Solution to Earplug Dispensing

Hearing protection has never been easier to access. Simply place your hand under the automatic dispenser and a pair of earplugs will drop right into your palm. With the TouchFree EcoStation in your corner, you can eliminate touch points and choose a greener, cleaner workplace for all.

- **First ever hands free solution for earplug dispensing**
- **Built in sensor recognizes when a hand is underneath and dispenses a pair of earplugs**
- **The most hygienic way to dispense earplugs**
- **Battery operated - easy to install with no wiring needed**
- **Free standard mounting bracket included**

NEW TOUCHFREE DISPENSER

With the EcoStation, you can put earplugs anywhere and everywhere. Convenient, quick access and ease of use will help increase compliance. Plus, workers take only one pair at a time, so there is less waste. Less waste means more cost savings.

The easy to install refill, snaps in quickly, for fast changeover and the empty bottles are completely recyclable. In addition, like all Moldex products and packaging, EcoStations are 100% PVC-Free to contribute towards a company's overall green initiatives.

- ✓ **More economical and green than packaged earplugs**
- ✓ **Easy-to-install, sealed refills, snaps in quickly**
- ✓ **Gives workers easy access to hearing protection**
- ✓ **All Moldex hearing protectors are independently tested to ANSI S3.19-1974**
- ✓ **100% PVC-Free**
- ✓ **Compliance – High visibility to increase awareness for your hearing conservation program**
- ✓ **Convenience – Hang an EcoStation anywhere and everywhere plugs are needed**
- ✓ **Cost Savings – Workers take one pair at a time so there is no wasteful grabbing of multiple pairs**
