

# DUE NORTH GRIPPRO™ SPIKELESS

The Due North GripPro™ Spikeless Traction Aids are designed for workers requiring traction and are frequently transitioning from outdoor to indoor surfaces or working indoors. The non-spiked design is non-marring and will provide extra grip in numerous working environments.

- 11 (22/pair) patented hi-viz chevrons are strategically placed to increase grip and reduce the risk of slips and falls
- Specially designed treads channel water away to deliver enhanced traction
- Natural rubber material with proprietary polymer blend maintains flexibility even in sub-zero temperatures
- Slip-On design fits snugly over boots and shoes
- Easy on-off pull tab provides quick adjustment
- Can be worn while driving, climbing ladders, and walking on grates
- Ideal for warehousing, delivery, construction, first responders, and much more
