

713BLDD

This glove has been dipped twice to provide double the protection from liquids. The outer coating is a black sandy foam latex, which provides superior grip and resistance to abrasion in wet conditions. The inner coating is a blue flat latex, which keeps your hands dry. It's a double punch against water, oils and solvents. Powerful protection, squared!

Features and Benefits:

- Machine washable extends the life of the glove
- Outer coating is a sandy foam latex on the palm absorbs liquids away from the work surface for superior grip and abrasion
- Inner coating is a 3/4" dip with flat latex to keep hands dry
- Knit wrist fits snugly to keep dirt out
- EN 388 = 3131 provides protection against abrasion and tears
