Item #	Description	Size	Color	UOM
BHC-15W	Beard and Hairnet Combo	Universal	White	1000/Cs
BHC-15R	Beard and Hairnet Combo	Universal	Red	1000/Cs

PRODUCT CHARACTERISTICS

- The Enviro-Gard Beard and Hairnet Combo consists of a polypropylene hood, bouffant hairnet and beard guard and an elastic neck and face opening
- Provides cool and comfortable all-in-one protection
- Elastic face opening provides a secure, comfortable fit and measures approximately 15 inches or 38.1 cm
- Large enough to fit comfortably on most workers and small enough to easily transport and dispose of when finished using
- Provides a secure and comfortable fit
- Latex-free design will not irritate worker's skin
- FDA-accepted for food use

APPLICATIONS

Ideal for use in non-hazardous applications where hair control is required such as food processing/handling, laboratory or pharmaceutical tasks.

QUALITY CONTROL

Enviro-Gard® Beard and Hairnet Combo is 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality beard and hairnet combos as well as the product specifications contained herein. Second-grade, irregular or defective beard and hairnet combos not meeting the agreed quality levels will be destroyed.
