PRODUCT CHARACTERISTICS

- Seamless knitted general purpose gloves, also referred to as “string knit gloves,” provide economical cool comfort
- Reversible design – any two gloves make a pair
- USDA accepted materials
- Cotton blended wrist material resists shrinkage when washed
- Color-coded cuffs identify the size of the glove after washing
- Variety of weights and gauges available in men’s and ladies’ sizes
- Natural white color is standard; Bleached white is premium optional color; Gray color heavyweight gloves hide dirt for extended use
- Sold by the dozen

APPLICATIONS

Ideal for use in general purpose applications.

QUALITY CONTROL

Saf-T-Gard Cotton String Knit Work Gloves are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality gloves as well as the product specifications contained herein. Second-grade, irregular or defective gloves not meeting the agreed quality levels will be destroyed.
