PRODUCT CHARACTERISTICS

- Reflect-A-Gard® Class 2 Tri-Color Safety Vest features a yellow polyester mesh fabric for high visibility and breathable comfort
- Hook-and-loop closure provides easy on/off and comfortable, secure fitting
- One (1) horizontal and two (2) vertical 2" reflective stripes are combined with a 3-3/4" orange contrasting base fabric to deliver ANSI/ISEA-107 Class 2 compliance
- One (1) outer pocket at right hip and one (1) inner pocket at left chest offer convenient storage and transportation of work materials

APPLICATIONS

Ideal for use by construction workers, railroad workers, police and fire departments, municipalities, emergency medical technicians and security organizations or in applications where workers require greater visibility under

inclement weather conditions, such as roadway construction, utilities, law enforcement, surveying and emergency response.

QUALITY CONTROL

Reflect-A-Gard Vests are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to assure compliance with generally-accepted standards for first-quality vests as well as the product specifications contained herein. Second-grade, irregular or defective vests not meeting the agreed quality levels will be destroyed.
