PRODUCT CHARACTERISTICS

- Premium-grade cowhide leather work gloves are an excellent choice for tough jobs
- Gunn cut pattern and wing thumb design fits naturally and eliminates seams in the working surface

205 HUEHL ROAD • NORTHBROOK, ILLINOIS 60062 U.S.A.
 Telephone: +1 847-291-1600 • Fax: +1 847-291-1610 • E-Mail: safety@saftegard.com
www.saftegard.com

- Full leather palm, back, thumb, index finger, fingertips, knuckle strap and pulse protector provide added protection to the working areas that need it
- Cotton lining is cool, comfortable and provides an additional layer of protection
- Available with a cotton fabric back for additional comfort or a full leather back for all-around protection
- 2 ½" safety cuff or 4 ½" gauntlet cuff styles are available to meet a variety of leather palm glove safety needs and extend protection past the wrist
- Cotton back styles include an elastic Shirred back to provide a secure fit

APPLICATIONS

Ideal for use in agricultural, automotive, construction, industrial and material handling applications.

QUALITY CONTROL

Saf-T-Gard Premium-Grade Grain Cowhide Leather Palm Gloves are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality gloves as well as the product specifications contained herein. Second-grade, irregular or defective gloves not meeting the agreed quality levels will be destroyed.
