## PRODUCT CHARACTERISTICS

- Standard weight disposable nylon mesh hairnets stay cool and comfortable, breathe easy, and provide an economical barrier for all-day use
- Large enough to fit comfortably on most workers and small enough to easily transport and dispose of when finished using
- Latex-free design will not irritate the worker's skin
- Nylon mesh hairnets are easy to use and reduce product contamination from stray hairs to keep a hygienic environment
- Available in 20", 24", and 28" sizes in white, brown, and black colors unless otherwise noted

## APPLICATIONS

Ideal for use in hair control environments such as food processing/handling, laboratory or pharmaceutical tasks, electronic assemblies, and manufacturing facilities.

## QUALITY CONTROL

Enviro-Gard Nylon Mesh Disposable Hairnets are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality hairnets as well as the product specifications contained herein. Second-grade, irregular or defective hairnets not meeting the agreed quality levels will be destroyed.
