

Comfort in Knee Protection

Knee-Pro Ultra Flex III

The Sellstrom Knee-Pro Ultra Flex III gives you comfort in three ways: The hard plastic shell is hinged to move as you move while kneeling, standing or sitting. The speed-clip fasteners stay put without slipping and comes with a half inch foam padding. The Knee-Pro Ultra Flex III was designed for all day comfort while maximizing your knee protection.

- Extremely durable hard plastic outer shell with 1/2" closed cell foam pad inside for ultimate comfort
- Blue non-marking grip-strip provides the user the security and grip it needs in a knee pad without leaving marks or residue on the work surface
- Hinged with metal rivets for ease of movement while kneeling or walking
- Soft elastic woven straps with reinforced sewn ends are attached well above and below the knee
- Lightweight for all day use
- Speed-clips allow for quick attachment and adjustments
