	Product Category:	Hand Protection; Metal Mesh
	Material(s):	Polymeric
	Pattern Design/Style:	Fits All 5-Finger Metal Mesh Gloves
	Color(s):	Hi-Viz Blue
	Size(s):	One Size
	Unit of Measure (UOM):	Package of 100 Tensioners

AVAILABLE STYLES

Item #	Description
GS-100	NiroflexUSA Metal Mesh Glove Tensioner

PRODUCT CHARACTERISTICS

- Simple, sanitary polymeric mesh glove tensioner fits over the metal mesh glove on the back of the hand and provides a tighter fit for the working area of the palm and fingers
- Does not sacrifice comfort or dexterity
- Hi-Viz blue color provides excellent contrast for food processing
- Fits all 5-finger metal mesh gloves

APPLICATIONS

Ideal for use with metal mesh gloves in hazardous industries including food processing, textile and apparel cutting operations.

QUALITY CONTROL

NiroflexUSA Metal Mesh Glove Tensioners are 100% inspected for visual defects, and statistically valid random samples of all production are tested for physical performance to assure compliance with generally accepted standards for first-quality tensioners as well as the product specifications contained herein. Second-grade, irregular or defective gloves not meeting the agreed quality levels will be destroyed.
