

MATS FOR PROFESSIONAL USE

552-MD-X Ramp System

552-MD-X Ramp System™

Compatible with the CushionEase™ and SafetyStance™ Custom to help create safer transitions on/off the mat.

MD-X Ramps are 6" wide 100% nitrile rubber ramps. These beveled edges help create safer transitions on/off all NoTrax Cushion Ease products. Engineered features include underside cut lines for outer, linear and inner corners. This product offers a single unit that can be built up or cut down to fit any length.

Product Features

- Male and female attachable ramps in 3 ft. x 6"
- 10 degree slope angle for easy wheeled cart access
- For smart safety beveling solutions to minimize risk of tripping
- Yellow borders along sides comply with OSHA code 1910-144.
- Allow inside and outside corners and linear
- Colors: Black, Yellow

Ramp Width: 6" wide **Ramp Length:** 36" long
