PRODUCT SPECIFICATION SHEET – AMBI-GARD® POLYETHYLENE DISPOSABLE GLOVES

PRODUCT DESCRIPTION

Part Number:	See Item Numbers Below
Product Name:	Ambi-Gard® Polyethylene Disposable Gloves
Product Category:	Hand Protection – Disposable Gloves
Material(s):	Low-Density Polyethylene
Pattern Design/Style:	Ambidextrous (Reversible)
Length:	Varies; See Below
Thickness:	0.02-mil
Grade:	Non-Medical
Cuff:	Slip-On
Powdered:	No
Color(s):	Clear
Size(s):	See Sizes Below
Unit of Measure (UOM):	See Below

AVAILABLE STYLES

Item #	Description	Length	Sizes	UOM
DEH-80	Polyethylene Disposable Gloves	Wrist Length	S-L	1000/Bx
DEH-580	Polyethylene Disposable Gloves	Wrist Length	S-XL	500/Bx 20 Bx/Cs
DH-125-EL	Polyethylene Disposable Gloves	Elbow Length	L	1000/Bx
DH-125-SL	Polyethylene Disposable Gloves	Shoulder Length	L	1000/Bx

PRODUCT CHARACTERISTICS

- Disposable polyethylene gloves are an economical alternative to vinyl gloves and provide a thin yet secure 0.02-mil barrier for lightweight, comfortable hygiene and protection
- Reversible glove fits either hand to extend usage in the field and limit product consumption
- Powder-free construction reduces irritation and dryness
- Heat-sealed seams deliver added protection in critical wear areas
- Embossed texture provides added gripping properties
- Slip-on cuff for easy wear/removal
- USDA chemically-accepted for food processing
- Complies with FDA food handling requirements (21 CFR 177.2600)
- Available in different lengths and packaging configurations to meet a variety of polyethylene disposable glove safety needs

APPLICATIONS

Ideal for use in food service and food processing applications. Provides short-term sanitary protection when handling food and food products within a temperature range of 176°F/80°C (maximum temperature) to -58°F/-50°C (minimum temperature).

QUALITY CONTROL

Ambi-Gard Polyethylene Disposable Gloves are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality polyethylene disposable gloves as well as the product specifications contained herein. Second-grade, irregular or defective polyethylene disposable gloves not meeting the agreed quality levels will be destroyed.
