Packaging:	Packaged 200 Gloves Per Dispenser Box, 10 Dispensers (2,000 Gloves) Per Shipping Carton Unless Specified Otherwise.

AVAILABLE STYLES

Item #	Description	Color	Sizes	UOM
2200	TP Diamond Hybrid Poly Disposable Gloves	Clear	S-XL	200/Bx
2250	TP Diamond Hybrid Poly Disposable Gloves	Blue	S-2XL	200/Bx

PRODUCT CHARACTERISTICS

- Ambi-Gard® TP Diamond Hybrid Poly Disposable Gloves are an economical alternative to vinyl gloves and provide a thin, yet secure barrier for lightweight, comfortable hygiene and protection
- TPE Hybrid Blend offers better stretch and elasticity than traditional HDPE Poly gloves or Hybrid CPE gloves
- Reversible glove fits either hand to extend usage in the field and limit product consumption
- Powder-free construction reduces irritation and dryness
- Electronically sealed construction for durability
- Embossed diamond texture provides enhanced gripping properties
- Slip-on cuff for easy wear/removal
- USDA chemically accepted for food processing
- Complies with FDA food handling requirements (21 CFR 177.1520)
- Latex-Free

APPLICATIONS

Ideal for use in food service and food processing applications. Provides short-term sanitary protection when handling food and food products.

QUALITY CONTROL

Ambi-Gard® Disposable Gloves are 100% inspected for visual defects, and statistically valid random samples of all production are tested for physical performance to assure compliance with generally accepted standards for first-quality disposable gloves as well as the product specifications contained herein. Second-grade, irregular or defective disposable gloves not meeting the agreed quality levels will be destroyed.
