UPC:	092265911375
Case UPC:	50092265911370
Country of Origin:	Assembled in the USA with Domestic & Foreign Components
Case Quantity:	6
Length:	2
Width:	8
Height:	9
Weight:	0.85

Long Description:	This bleeding control kit contains the critical essentials for treating limb, chest, and torso wounds. The included windlass tourniquet, hemostatic gauze pad, and chest seal empowers bystanders with the lifesaving tools to help save a life in the critical first minutes of a bleeding emergency. The clear, plastic pouch is easily identifiable, lightweight, and mobile for efficient travel to the trauma site. The critical essential kit is ideal for a supplement to a first aid kit, and for high risk environments such as workshops, construction sites, and remote worksites.
Bullet 1:	Contains life saving tools to respond to limb, chest and torso wound bleeding emergencies
Bullet 2:	Essential solution provides critical tools including bleeding control instructions, a marker to indicate tourniquet application time, nitrile gloves, and trauma bandages
Bullet 3:	Provides coverage of limb, chest, and torso wounds with the included windlass tourniquet, hemostatic gauze pad, and chest seals
Bullet 4:	Efficient clear bag is mobile and lightweight for quick response
