Marble-Tuff™ Max combines a heavy-duty vinyl top surface with a dense closed cell foam base. At a full 1" thick, Marble-Tuff™ Max provides the ultimate in relief for leg and back discomfort in work applications where standing occurs for long periods of time. A stylish smooth marble pattern top surface is easy to sweep or damp mop clean. Sloped beveled edges on all 4 sides reduce tripping hazards and allows easy access on and off of the mat.
