PRODUCT CHARACTERISTICS

- Anti-fog lens option provide maximum visibility in humid conditions
- Adjustable multi-ply elastic headband provides a flexible fit
- Soft frame is lightweight and comfortable and delivers full panoramic view
- Visi-Gard Safety Goggles fit over most prescription eyewear
- Durable 1.6 mm polycarbonate lens provide impact protection
- All Visi-Gard Safety Goggles comply with ANSI Z87.1-2015 High Impact Safety Standards

APPLICATIONS

Ideal for use in agriculture, construction, food services, manufacturing, oil and gas, steel and metals operations or anywhere there is exposure to grinding, chiseling, hammering or spraying.

QUALITY CONTROL

Visi-Gard Safety Goggles are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality safety goggles as well as the product specifications contained herein. Second-grade, irregular or defective safety goggles not meeting the agreed quality levels will be destroyed.
