PRODUCT CHARACTERISTICS

- Enviro-Gard Disposable Polyethylene Sleeves provide lightweight protection for the wrist and forearm for job hazards where you do not want your arms exposed
- The 1.5-mil thickness delivers an effective barrier against particulates and light liquid splash
- Elastic openings at both ends (wrist and bicep) ensure a secure and comfortable fit
- Available in 16" and 18" lengths in a variety of colors
- Style EW-1807 is polycoated for added protection

APPLICATIONS

Ideal for use in food service and general-purpose applications.

QUALITY CONTROL

Enviro-Gard Disposable Polyethylene Sleeves are 100% inspected for visual defects, and statistically-valid random samples of all production are tested for physical performance to ensure compliance with generally-accepted standards for first-quality polyethylene sleeves as well as the product specifications contained herein. Second-grade, irregular or defective polyethylene sleeves not meeting the agreed quality levels will be destroyed.
